A dedicated and skilled software developer with hands-on experience in Ruby, Ruby on Rails, React, and Next.js from a 3-month internship and 3 month On-the-job trainee at Chulo Solutions. Proficient in version control using Git and passionate about developing efficient and scalable web applications. Seeking opportunities to apply and further develop my technical expertise in a dynamic and growth-oriented environment.

EXPERIENCE

On The Job Trainee (Ruby on Rails and React Developer)   Lalitpur

Chulo Solutions Pvt. Ltd.   Aug, 2024 - Nov, 2024

As an On-The-Job Trainee at Chulo Solutions Pvt. Ltd., I am actively contributing to the development and enhancement of web applications using Ruby on Rails and React. My responsibilities include designing and implementing new features, debugging and resolving technical issues, and ensuring code quality through best practices. Collaborating closely with a dynamic team, I am further honing my expertise in full-stack development while gaining hands-on experience in Agile workflows and software lifecycle management.

Intern (Ruby on Rails and React Developer)   Lalitpur

Chulo Solutions Pvt. Ltd.   Mar, 2024 - Jul, 2024

During my 3-month internship at Chulo Solutions Pvt. Ltd., I developed and maintained web applications using Ruby on Rails and React. I collaborated with a cross-functional team to implement new features, utilized Git for version control, and enhanced my skills in full-stack development.

EDUCATION

Bsc. In Computational Mathematics   Dhulikhel

Kathmandu University   Sep, 2019 - Jul, 2024

+2   Janakpur

Model Secondary School   Aug, 2016 - Jul, 2018

SLC   Dhanusha

Super Sense Sec. Eng. Boarding School   Jun, 2015 - Jun, 2016

PROJECTS

Learning Management System
